The Convention officially begins on Thursday, March 20th. After the opening ceremonies, you will be either in competition or break out sessions. We will be going over everything once we get the competition schedule after we check in. Everywhere will be crowded, especially during meal times. You are never allowed to leave the Rosen Plaza property unless you are driven by one of the chaperones. You are never allowed to go anywhere alone. Double check the start times for your competitions and be there 15 minutes before it starts. **Doors will be locked at the start time.**
